

Unable to modify space guarantee for logical size enforced volumes

https://kb-stage.netapp.com/on-prem/ontap/Ontap_OS/OS-KBs/Unable_to_modify_space_guarantee_f...

Updated: Wed, 24 Jun 2026 06:07:59 GMT

Applies to

- AFF A800
- ONTAP 9.11.1

Issue

Space guarantee cannot be changed to "volume" with the error below:

Example:

```
::*> vol modify -volume trident_pvc -space-guarantee volume
[Job 20303] Job is queued: Modify trident_pvc.
Error: command failed: [Job 20303] Job failed: Unable to set volume
attribute "space-guarantee" for volume "trident_pvc_0001" on Vserver
"A800-Vserver". Reason: The volume's space guarantee cannot be changed to
```

"volume" for logical size enforced volumes.
