

BlueXP shows an error occurred while retrieving volumes for working environment

https://kb-stage.netapp.com/cloud/ncds/nc/Cloud_Manager/BlueXP_shows_an_error_occurred_while_r...

Updated: Wed, 24 Jun 2026 06:32:15 GMT

Applies to

- BlueXP
- Microsoft Azure

Issue

- When selecting a CVO in cloud manager the following error appears in the **Volumes** view tab:

```
An error occurred while retrieving volumes for working environment XXX:  
There was an internal server error.
```
