

How to obtain a user token for a service account

https://kb-stage.netapp.com/cloud/ncds/nc/Cloud_Manager/How_to_obtain_a_user_token_for_a_servic...

Updated: Wed, 24 Jun 2026 06:32:14 GMT

Applies to

- NetApp BlueXP (formerly Cloud Manager)
- REST API
- NetApp Cloud Sync

Description

For users who would like to use a Service Account to leverage Cloud Sync capabilities via REST API, Step 1 from [Getting Started with Cloud Sync APIs](#) can be ignored.
