

Unable to access on-prem GCP connector after successful install

https://kb-stage.netapp.com/cloud/ncds/nc/Cloud_Manager/Unable_to_access_on-prem_GCP_connect...

Updated: Wed, 24 Jun 2026 08:16:04 GMT

Applies to

- NetApp Cloud Manager (connector)
- Google Cloud Platform (GCP)
- On-Prem connector

Issue

After the connector software is successfully installed, users cannot access it via `http://<SERVER_IP>` to finish up the setup.
