

Unable to add FSx for ONTAP Working Environment to Workspace

https://kb-stage.netapp.com/cloud/ncds/nc/Cloud_Manager/Unable_to_add_FSx_for_ONTAP_Working...

Updated: Wed, 24 Jun 2026 07:14:03 GMT

Applies to

- Cloud Manager
- Amazon FSx for NetApp ONTAP
- Working Environment
- Workspace

Issue

When trying to add an existing FSx for ONTAP cluster to a second Workspace, the cluster is unavailable:

The HAR file shows these issue:
