

MetroCluster EMS reports Inconsistent configuration detected for shelf connected to host adapter

https://kb-stage.netapp.com/on-prem/ontap/mc/MC-KBs/MetroCluster_EMS_reports_Inconsistent_conf...

Updated: Wed, 24 Jun 2026 06:32:10 GMT

Applies to

Fabric MetroCluster

Issue

- Storage system is running with Quad-Path HA
- "event log show" shows alert "ses.inconsistent.config"

Example:

```
Cluster::>event log show
```

```
6/14/2020 06:52:41 node-01 ALERT ses.inconsistent.config: Inconsistent configuration detected for shelf connected to host adapter 0b.
```
