

Brocade FOS booting with limited cli commands

https://kb-stage.netapp.com/on-prem/Switches/Brocade-KBs/Brocade_FOS_booting_with_limited_cli_c...

Updated: Wed, 22 Apr 2026 02:10:25 GMT

Applies to

Brocade

Issue

Brocade switch not booting FOS reliably and cli commands do not work correctly

Example:

```
switch:admin> version
fabos not yet initialized: -1
switch:admin> switchshow
rbash: switchshow: command not found
fatal CF card failure
Bus error (core dumped)
```
