

Storage Replication Adapter (SRA): Unable to find a matching device at the remote site for the local device

https://kb-stage.netapp.com/data-mgmt/OTV/SRA_Kbs/Storage_Replication_Adapter_SRA___Unable_...

Updated: Wed, 24 Jun 2026 06:32:09 GMT

Applies to

- Storage Replication Adapter (SRA) 9.x
- VMware Site Recovery Manager (SRM) 8.x

Issue

In SRM under Array Pairs, the Discover Devices operation reports similar errors as below.

```
Error: Unable to find a matching device at the remote site for the local device '//svm1/vol_iscsi1/lun_iscsi1'
```
