

E-Series controller in lockdown state OE LF due to limited SYMBol support

https://kb-stage.netapp.com/on-prem/E-Series/SANtricity-OS-KBs/E-Series_controller_in_lockdown_sta...

Updated: Wed, 24 Jun 2026 07:24:35 GMT

Applies to

NetApp E-Series

Issue

One or both controllers are in lockdown with display code **OE LF** on the back of the controller.
