

Unified Manager Services fail to start after restoring database in version 9.13

https://kb-stage.netapp.com/data-mgmt/AIQUM/AIQUM_Kbs/Unified_Manager_Services_fail_to_start_...

Updated: Wed, 24 Jun 2026 06:07:59 GMT

Applies to

Active IQ Unified Manager (AIQUM) 9.13
Windows Install

Issue

After completing a database restore in AIQUM 9.13, services will not start.
