

File Access Audit option in Data Sense doesn't work

https://kb-stage.netapp.com/cloud/ncds/Cloud_Data_Sense/File_Access_Audit_option_in_Data_Sense...

Updated: Wed, 24 Jun 2026 06:18:23 GMT

Applies to

- BlueXP
- BlueXP Classification/Data Sense

Issue

Enabling the "File access audit" option in Data Sense doesn't configure correctly, and the audit logs don't gather any information.
