

Last acquired status is showing polling all the time for ONTAP Cluster

https://kb-stage.netapp.com/cloud/ncds/DII/Last_acquired_status_is_showing_polling_all_the_time_for...

Updated: Wed, 17 Jun 2026 23:21:59 GMT

Applies to

- Cloud Insights (CI)
- NetApp ONTAP Data Management Software data collector

Issue

Data collector inventory and performance polling is successful but the last acquired status is not getting updated(showing polling) all the time for ONTAP Cluster.
