

Difference between NetApp Support Site Login and BlueXP Login

https://kb-stage.netapp.com/cloud/ncds/nc/Cloud_Manager/Difference_between_NetApp_Support_Site...

Updated: Wed, 24 Jun 2026 04:33:59 GMT

Applies to

- BlueXP
- NetApp Support Site (NSS)

Issue

Unable to login to BlueXP with the existing NSS credentials. It prompts for a password and does not generate a One Time Password (OTP) for successful authentication.
