

Unable to add or associate new users with Account Admin Role in BlueXP

https://kb-stage.netapp.com/cloud/ncds/nc/Cloud_Manager/Unable_to_add_or_associate_new_users_...

Updated: Wed, 24 Jun 2026 06:32:07 GMT

Applies to

- BlueXP
- Cloud Volumes ONTAP (CVO)

Issue

- Unable to add or associate new users with Account Admin role for an existing BlueXP account.
- Additionally, unable to manage working environments as well due to limitations in account privileges.
