

StorageGRID : TIME field in audit logs can report extreme latency numbers

https://kb-stage.netapp.com/hybrid/StorageGRID/Performance/StorageGRID___TIME_field_in_audit_lo...

Updated: Wed, 24 Jun 2026 07:24:33 GMT

Applies to

StorageGRID 11.7 and higher

Issue

- High or negative latencies reported in audit-sum for DEL, SPUT and SGET operations.
- The times reported maybe days, years or negative numbers.
