

Storage node stuck in "Starting Services" after StorageGrid upgrade from 11.6 to 11.7

https://kb-stage.netapp.com/hybrid/StorageGRID/Maintenance/Storage_node_stuck_in_Starting_Servic...

Updated: Wed, 24 Jun 2026 07:24:39 GMT

Applies to

- StorageGrid
- 11.6
- 11.7
- 11.8

Issue

- RSM and DYNIP services are stuck in `Starting` state and do not transition to `Running`
- Review `/var/local/log/servermanager.log` for the following message:

Waiting for connectivity to required services. Seen 1 of 2 needed ADC nodes. Seen 1 of 2 needed Cassandra seed nodes.
